- Material: Aluminum alloy

**Octopus Fan
#EK1002**

Size: 22x10.5x4.2cm
Material: ABS+PP
Capacity: 500mAh

The image displays the Octopus Fan #EK1002 in various configurations. A large central image shows a black fan hanging from a white rod. To its left, a pink fan stands on its octopus-like legs, and a light blue fan is shown with a smartphone resting on its base. Below these, a 'Color customization' palette offers eight color options: yellow, red, blue, light blue, purple, dark blue, grey, and black. To the right, three smaller images illustrate the fan's versatility: 'HANG UP' (hanging from a rod), 'HOLD' (held in a hand), and 'STAND' (standing on its legs). A bottom-right inset shows the fan with warm yellow lights glowing from its base, labeled 'Atmosphere lighting design'.

Color customization

Atmosphere lighting design

**Heated pen holder coasters
#EK1001**

Size: 19.7x11x9CM
Material: Bamboo

The image features the Heated pen holder coasters #EK1001, made of bamboo. The main image shows a cylindrical pen holder with 'Your LOGO' printed on it, containing two pens, and a matching circular coaster with a black top. To the right, three circular insets provide details: the top inset shows the bottom of the pen holder with a white USB-C port; the middle inset shows the bottom of the coaster with a similar port; the bottom inset shows the pen holder and coaster together on a blue surface, with a white Starbucks cup placed on the coaster.
